Work

Artist in Residence and Brand Asset Creator Alderbrook Resort and Spa | 2013 – 2019

Private art instruction and creative brand asset creation

- Led Plein Air painting courses for resort guests and private groups.
- Painted and graphically designed creative assets for resort merchandise and storytelling. This was in the form of collaborative beverage labels, map art, menu art design and visual displays.

Teacher of Art and Technology Hood Canal School | 2010-2014

Kindergarten through eighth grade instruction and curriculum creation

- Instructed students in a K-8 environment in the subjects of Art, Technology and Physical Education
- Coached middle school football and basketball.
- Taught educators technology for classroom use
- Led after school art enrichment program
- Designed classical art curriculum
- Managed annual student nature camping experience
